I read and understood the Studio Policy for 2018-2019: (full text see online or ask me to e-mail you)

The teacher cannot guarantee more than two make ups per student for any reason during the year. However, I offer lesson swaps and Skype lessons.

The parents are responsible to pay for the full Semester. If lessons are terminated by the parent in the middle of a semester, **payment for the full semester tuition is still due.** If lessons need to be terminated in the middle of a semester due to a family emergency, I will work out a mutually beneficial arrangement.

Due to a sport event the teacher will try to reschedule the lessons, by trading lesson time with somebody else, if it is possible).
